

*Yoga Place Props* custom makes yoga props from quality hardwoods. We maintain minimal inventory, but can usually make small items quickly. Some small items are kept on hand. Larger items may take several weeks to make. Please call Ron at (507) 895-8263 or email him at ron@yogalacrosse.com to check on availability.

Actual shipping charges (UPS or Fedex ground) will be added to your invoice.

**What our customers are saying:**

“Tom and I really appreciate the beauty of your work”

Patricia Walden

“I got the shipment late Monday afternoon. Everything is in perfect condition. I’ve already applied the pads to the bottom of the backbender. I’m very happy with the results of your fine craftsmanship. ”

# Yoga Place Props

All props are patterned after those used by the Iyengars at RIMYI in Pune, India. They are crafted from Northern hardwoods and are made to last a lifetime. Don't be tempted by plywood versions.

Other props are available by custom order. Please call to discuss what you would like. If you saw it in Pune, we probably have plans and can make it for you.
