

# 5th Annual Iyengar Yoga Retreat on the North Shore With Chris Saudek At Cobblestone Cabins in Tofte, Minnesota June 8-13, 2020

A wonderful opportunity to kick back and relax, do yoga twice daily, hike, sit around the campfire, be on the water, read, take saunas, and whatever else you want to do in a lovely setting. Cobblestone Cabins is a very welcoming place where all cabins have a gorgeous view of Lake Superior and there is a lovely beach, rocky lake shore and a wood burning sauna on the lake. The cabins are simple and comfortable, no internet access, no TV, complete with cooking facilities and outdoor fire pits. The resort is close to the Superior Hiking Trail and the bike trail is practically right out your door. The area is full of great close places to hike or bike. A fully equipped yoga studio is on the grounds and a short walk from the cabins.

**Classes** are open to all regular students of The Yoga Place and others with at least one year experience in Iyengar yoga. Newer students may request to attend by contacting Chris Saudek in advance. Classes will be held morning and evening on most days (beginning with the evening of the 8<sup>th</sup> and ending the morning of the 13<sup>th</sup>). There may be days where the morning or evening class will be longer in place of two classes that day (in case of really nice weather and whole day outings would be possible). In case of rain, discussion and/or chanting sessions may be scheduled in addition to the classes.
